

# Code of Behaviour

## INTRODUCTION

In compliance with Section 23 of the Education (Welfare) Act 2000 the Board of Management of Corrandrum has prepared and made available a Code of Behaviour for its pupils, parents and staff.

The Code of Behaviour details:

- 1) The standards of behaviour that shall be observed by each pupil attending the school.
- 2) The whole school approach to promoting positive behaviour.
- 3) The measures that shall be taken when a pupil fails or refuses to observe those standards.
- 4) The procedures to be followed before a pupil may be suspended or expelled from the school.
- 5) The grounds for removing a suspension imposed in relation to a pupil.
- 6) The school's Anti-Bullying Policy and
- 7) The procedures to be followed in relation to a child's absence from school.

The Code of Behaviour of Corrandrum has been developed in accordance with "Developing a Code of Behaviour: Guidelines for Schools", National Educational Welfare Board, 2008.

## AIMS AND OBJECTIVES OF THE CODE

The aims and objectives of the code are:

- To allow the school to function in an orderly way where children can make progress in all aspects of their development.
- To create an atmosphere of respect, tolerance and consideration for others.
- To promote positive behaviour and self-discipline, recognising the differences between children and the need to accommodate these differences, recognising the rights of children to be educated in classes not disrupted by the behaviour of a tiny minority, and also the rights of teachers to work in conditions free from stress.
- To ensure the safety and well being of all members of the school community.

- To assist school staff, parents and pupils in understanding the systems and procedures that form part of the code of behaviour and to seek their co-operation in the application of these procedures.
- To ensure that the system of rules, rewards, and sanctions are implemented in a fair and consistent manner throughout the school.

## WHOLE SCHOOL APPROACH

The Board of Management recognises the importance of creating consistent values, policies, practices and relationships that support the Code of Behaviour. Such an environment may only be formed by involving the entire school community and in this respect the Board acknowledges the importance of the roles played by, the Principal, teachers, ancillary staff and parents in the review and operation of the Code.

For avoidance of doubt any reference in the foregoing to Principal is to be construed as meaning Acting Principal or Deputy Principal in the absence of the Principal.

## CODE OF BEHAVIOUR

The only worthwhile and enduring form of discipline is self-discipline. We aim over the time a child spends with us to develop, in partnership with the parents, the consciousness of the child from that of the four year old where discipline is usually external to that of the 12 or 13 year old who understands the need to exercise self-discipline in dealing with teachers, parents, adults and other children. In relation to schoolwork and homework we aim to motivate the children in such a way that by the time they reach the senior standards they see the need to work for and by themselves. In terms of general behaviour the children should begin to see, as they grow older, that they are part of a larger community and that what they do always affects others either positively or negatively. We expect that the children will give of their best while they are in Corrandrum and that the parents will support and join with us in our efforts to give the children the best education possible.
